# Festive Brochure

# A message from our Founder

Ahead of the first festive planning season that we've had in a while, this document is full of the places and brands that have my personal seal of approval to make your life a little easier. Whether it's booking a festive party, organising gifts or just trying to find a way to treat yourself this year, we've worked really hard in partnership with all of our featured brands to give you either a more luxurious experience - complimentary bubbles on arrival, gift cards for you to spend yourself or major discounts with brands so that the unaffordable now becomes affordable.

To redeem the benefits featured please follow the instructions on each page or contact us at [hello@theassistantroom.com](mailto:hello@theassistantroom.com).
